The newest **4D/5D Dome** developed by Attraktion! integrates 4D and 5D seats, dome projection technology and adds customized 4D dome films. By adding **special effects** to the dome experience such as **Leg Tickler, Neck Blast, Water Spray, Vibration, and 3DOF movements**, visitors enter readily into the media environment for a full immersion adventure. Visitors will not only watch the movie but they will also be part of it! The attraction is designed for Children and Adults alike, making it ideal for the whole family!

**4D 5D DOME** improves the typical well known Planetarium dome experience with 4D or 5D seats, to bring the visitors to a new imaginery world.

This attraction enables operators to differentiate from the classic 4D theatres by adding new feelings to the experience, a different range of licensable films, and a more immersive environment.

All the features of our 4D/5D theater are available in a 4D/5D Dome but in addition;

- 360° full dome projection environments from 7m up to 35m
- Camera based fully automated alignment system for easy set-up and sustainable quality
- Brightness adjustable to ambient light conditions

Attraktion！最新开发的4D / 5D球幕影院结合了4D / 5D座椅，球幕投影技术和定制4D球幕电影。通过在球幕体验中加入特技效果如**搔腿，颈部喷气，面部喷水，震动和3自由度动态座椅**，观众可以全方位的投入感官体验当中。观众不仅可以观看电影，更可以置身其中！该体验面向各年龄层，家庭成员均可体验！

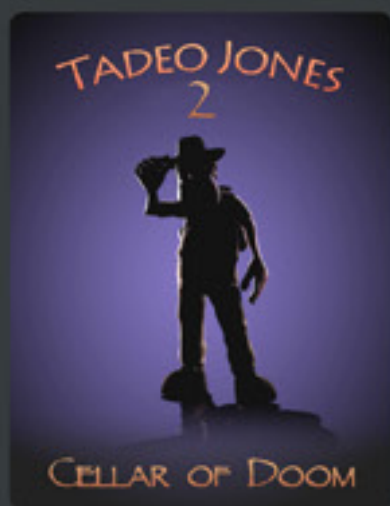

**4D / 5D**球幕通过加入特效座椅改变了传统的天文馆球幕体验，带领观众进入感官新世界。该项目通过加入新鲜元素，更广泛的片源和更沉浸的体验与传统4D影院区分开。

我们全部的4D / 5D影院特效都可移植到4D / 5D球幕中，另外；

- 7米到35米360度全球幕投影环境
- 相机自动拼接系统提供简易的操作和精准的效果
- 亮度可调，适应不同光线环境
