

SEA EXPLORER 5D

PRODUCT

产品

The Sea Explorer 5D is a media-based attraction with an immersive journey through the sea. Visitors explore an underwater world in the course of a state-of-the-art simulation attraction with special effects. The storytelling is based on a futuristic submarine with glass walls in which visitors experience the impressive environment of sea life. Great insights into the diversity of sea life capture visitors' imagination.

海洋探索是一款进行虚拟海洋穿越的多媒体娱乐项目。参观者借助最先进的模拟特效来完成一次海底世界的探索。整个故事从未来水底世界展开，参观者将透过玻璃墙壁体验这叹为观止的水下生活环境。多样的海洋生活，最佳的感官体验将完全超乎参观者的想象。

THE JOURNEY BEGINS... 旅程开始了.....

Visitors are invited to enter the Sea Explorer 5D attraction. In general the attraction area consists of several rooms (pre-show room, main show room). The main show area can be also located in a box similar to a submarine.

首先参观者进入5D海洋探索的游乐设施。游乐区域通常会包含几个房间（预演厅、主演厅）。主演厅也可以放置在一个类似潜水艇的房间中。

EXPERIENCE

体验

In order to dock on the futuristic submarine, visitors access an simulated elevator during the pre-show. Since the floor of the elevator is in movement, the trip seems very realistic.

为了营造一个进入未来水下生活的感觉，在预演区参观者将进入模拟电梯的空间。持续晃动电梯的地面使得旅程的体验感十分真实。

Right after the arrival, visitors enter the submarine. The submarine ride is characterized by an multisensory and gripping experience. One out of several potential journeys visitors will experience. The close to reality feeling is due to special effects the submarine is equipped with.

随模拟电梯下行后，参观者将进入了一个潜水艇。此次水下之旅充满了极具吸引力的多感官体验。参观者将体验到众多旅程内容中的其中一程。潜水艇设施中所配备的各种特效将给游客带来身临其境的感受。

FEATURES

特点

The Sea Explorer 5D stands out due to its mind-blowing features in regard to audio-visual and sensible experiences. The pre-show and main show are characterized by the following features:

5D海洋探索最具新引力之处在于其配备的超乎想象的声音、视觉以及感受上完整体验。预演区和主演区具有如下特点：

PRE-SHOW | 预演

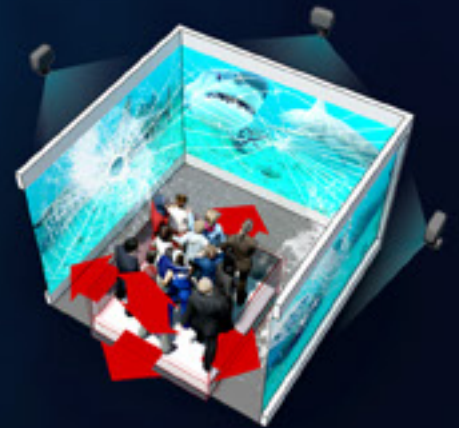

- 5.1 Surround Sound
- HD Video Projection
- Special Effect: Motion Floor

- 环绕立体声
- 高清视频投影
- 特效：震动地板

MAIN SHOW | 主演区

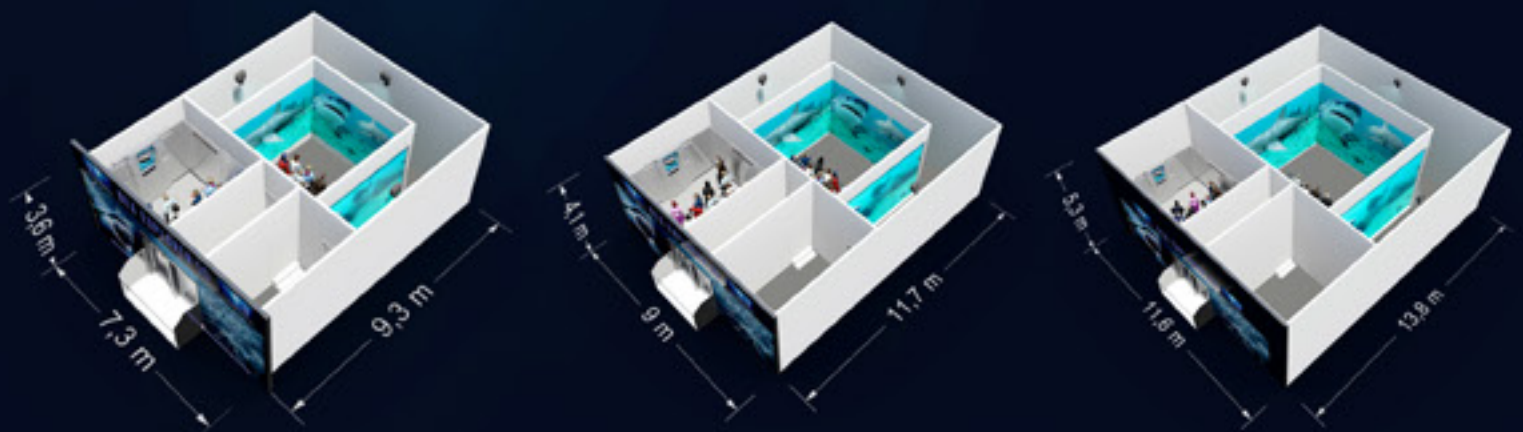

- 5.1 Surround Sound
- 270° Video Ultra Real Video Projection (12 mio. pixel)
- Special Effects: Motion Floor 3DoF, Water Effects

- 环绕立体声
- 度环绕超逼真视频投影 (12百万素)
- 特效：3自由度震动地板、喷水特效

The standard attraction sizes of Sea Explorer 5D are made for 20, 30 and 40 visitors. However customizable solutions are offered as well in terms of attraction size, design and premises.

5D海洋探索游乐设施分为3个标准尺寸，分别可容纳20人、30人和40人。同时也可以根据要求，对项目尺寸、外观等进行定制化设计。

SHOWCASE

展示

In the Dubai Aquarium, one of the world's most visited aquariums, within the Dubai Mall, visitors can experience a customized version of the Sea Explorer 5D. Visitors are invited to enter a submersible for a great journey through the sea.

The movie (realized by Attraktion) shown in the submersible is about a cute small turtle character that guides visitors from the aquarium tank out to the sea.

位于迪拜购物中心内的迪拜水族馆是世界上最著名的水族馆之一，参观者能在那里体验到定制版的5D海洋探索。一台能够带领游客进行海底探险的精彩潜水艇旅程正期待您的光临。

在潜水艇中所播放的影片（由Attraktion公司制作）内容讲述的是，我们跟随一只可爱的小海龟从水族馆的水缸畅游到大海的故事。
